This document provides you with key investor information about this Sub-Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Sub-Fund. You are advised to read it so you can make an informed decision about whether to invest.

CLASS A2 EUR SHARES – ISIN: MT7000031407 – OPPORTUNISTIC GROWTH FUND, A SUB-FUND OF AMA UCITS SICAV PLC (SV 355)

The Sub-Fund is managed by Amagis Capital Management Ltd (C 63765), a company forming part of the Amagis Capital group of companies, licensed by the MFSA as UCITS Management Company and AIFM. The sustainability statement of the manager is available at <https://www.amagiscapital.com/regulatory-disclosure.html>. Further information on sustainability is set out in the offering supplement of the Sub-Fund.

OBJECTIVES AND INVESTMENT POLICY

The Sub-Fund's objective is to seek to achieve an appealing capital growth and positive absolute returns in the medium-long term by investing through a combination of macro and growth strategies, targeting multiple asset classes, encompassing listed equities and debt securities. The Sub-Fund does not have as its objective sustainable investment nor it does purport to promote environmental or social characteristics and/or sustainable investments. However it may remain exposed to Sustainability Risks. The Sub-Fund shall seek to achieve its objective by investing in a portfolio of diversified asset classes made of, predominantly, listed equity securities and listed debt securities without any restriction on the industries to be targeted. The Investment Manager shall seek to combine two core strategies, *i.e.* a (i) macro one focused on the identification of an optimal allocation between equity and debt instruments in order to gain hedges on the market performance and a (ii) growth one, focused on growth securities, selected through fundamental analysis aimed at identifying target firms with growth prospects in view of their financial soundness and profitability. On a marginal basis, the Investment Manager shall embed value-analysis on the equity

allocation of the Sub-Fund portfolio. The equity positions shall include, without limitation, shares and preference shares, warrants and equity-like instruments.

With respect to debt securities, the Sub-Fund may also invest, overall, up to 50% of its net assets, in global debt securities issued by governments, corporates, agencies and supranational entities. Such securities will be fixed or floating rate notes, senior or subordinated, structured notes, convertible bonds and any other debt securities. Such debt securities shall be rated at least BBB- by Standard & Poor's Corporation or Baa3 by Moody's Investor Services Incorporated. The Sub-Fund intends to re-invest any income realised. No dividends are intended to be paid by the Sub-Fund to investors. Investor may redeem units of UCITS on demand and the Sub-Fund will provide on demand daily liquidity to investors. The Investment Manager does not consider the adverse impacts of investment decisions on Sustainability Factors. Such sustainability risk may have a material negative impact on the financial return of the investment strategy of the Sub-Fund.
